Parking Lot Designations

Parking is limited. We strongly encourage carpooling if at all possible.

Loading and Unloading: Before and after the career fair, you can load/unload any packages from your vehicle on the south side of Gale Bullman. This entrance accesses both gyms and the elevator. Volunteers will be available to assist you.

* If you are conducting On-Campus Interviews the day after the Career Fair, they will be in the Library, Norwood Hall, or Havener Center.
