NACE Career Readiness Competencies

The National Association of Colleges and Employers (NACE) has defined career readiness as the attainment and demonstration of requisite competencies that broadly prepare college graduates for a successful transition into the workplace. All of the NACE Career Readiness Competencies are embedded in the workshops and programs offered by COER.

Critical Thinking/Problem Solving
Exercise sound reasoning to analyze issues, make decisions and overcome problems.

Oral/Written Communication
Articulate thoughts and ideas clearly and effectively in written and oral forms.

Teamwork/Collaboration
Build collaborative relationships with others, negotiate and manage conflict.

Digital Technology
Leverage existing digital technologies ethically and efficiently, and demonstrate adaptability to new technologies.

Leadership
Leverage the strengths of others to achieve common goals, and interpersonal skills to coach and develop others.

Professionalism/Work Ethic
Demonstrate personal accountability, effective work habits, integrity and ethical behavior.

Career Management
Identify and articulate one’s skills, strengths, knowledge and experiences relevant to career goals.

Global/Intercultural Fluency
Value, respect, and learn from diverse cultures, races, ages, genders, sexual orientations, and religions.
