**COER First Steps**
Learn all that COER has to offer and how to get the most out of Missouri S&T Career Services! Getting started early is the key to receiving the highest return on your investment for your S&T degree!

**New Year, New Career Tools**
Join COER to learn more about the new tools and services offered to students and alumni! We will also be covering changes to the Fall 2021 Career Fair.

**Resume Writing & Job Search Success**
First impressions matter. Many times, your resume is the first time an employer will get to know you. This session will help guide you in crafting a resume that showcases your personal brand while highlighting your experiences and accomplishments, as well as discuss strategic job search strategies!

**Align Your Digital and IRL Networking**
Not sure how to network? Join COER to learn how to make and develop important career connections both online and in-person.

**Talk the Talk to Impress Recruiters**
Ever feel tongue tied when talking to employers? Don’t know what to say or how to say it? Join COER to learn how to put your best foot forward by communicating effectively during your job search!

**LinkedIn or Left Out**
93% of hiring managers check LinkedIn when pursuing a candidate! Say what!? Learn best practices and things to avoid when creating a LinkedIn account to ensure your LinkedIn profile is ready to go!

**Goal Setting For Your Future Career**
Join COER as we discuss what career goals are, why they are important, benefits of them, and strategies for setting them!

**Do’s and Don’ts of AI Interviewing**
Do you know what Applicant Tracking Systems (ATS) are? Have you ever had an automated recorded interview and it threw you off? Join COER as we discuss what ATS are, what to expect, preparation, best practices, as well as how our new AI software Quinncia can help you out further!

**Thriving as a Remote Employee**
Telecommuting can be challenging. Learn how to succeed in this session with COER as we discuss the most common challenges for remote working.

**Workplace Values: Finding Your Best Job Fit**
Join COER as we discuss what workplace values are, how to determine yours, and how to find your best job fit!

**What’s holding back my resume?**
Join COER to learn about Applicant Tracking Systems (ATS), tips and tricks to increase your chances of getting your resume in front of employers, and receive access to our new AI software, Quinncia!

**Creating A Career Plan**
Learn about COER’s Career Readiness Plan and what you should expect to be doing each year to ensure you are on track for career success!

**Master the New Missouri S&T Career Fair**
Learn about and prepare for exciting changes to one of the biggest career fair events in the Midwest! Join COER as we help prepare you for a successful networking experience to help you land that dream opportunity!

**Game Plan That Interview**
Join COER and learn exactly what you should expect in a virtual interviewing environment and how you can best prepare yourself to ace that next interview!

**How to be Comfortable Talking About Yourself Professionally**
Learn how to best present your skills, knowledge, and experience in a dynamic and powerful power introduction to ensure you start on the right foot with employers!

**Advocating For Your Best Job Offer**
Join COER as we cover job offer basics, what to look for, what is and is not negotiable and how to accept or reject a job offer!

**The Importance of Work Experience**
Wondering what counts as work experience, how experience impacts your future job search and how to find experiences that fit your future goals? Join COER to learn just how important it is to obtain work experience while completing your college degree!

**Quinncia International Student Presentation featuring Himal from Quinncia**
Join COER and HIMAL, the founder of Quinncia, as HIMAL talks about key aspects of his journey as an international student navigating the US job market. Learn about his experience with the H1B process and his strategies for success.

**Master the Job Search: International Student Edition**
Are you an international student looking for job opportunities? Join COER and learn what resources are available to you!

**NACE Career Readiness Competencies**

The National Association of Colleges and Employers (NACE) has defined career readiness as the attainment and demonstration of requisite competencies that broadly prepare college graduates for a successful transition into the workplace. All of the NACE Career Readiness Competencies are embedded in the workshops and programs offered by COER.

**Critical Thinking/Problem Solving**
Exercise sound reasoning to analyze issues, make decisions and overcome problems.

**Oral/Written Communication**
Articulate thoughts and ideas clearly and effectively in written and oral forms.

**Teamwork/Collaboration**
Build collaborative relationships with others, negotiate and manage conflict.
